14 Plaintiff filed a Motion for Extension of Time (Dkt. 19) on June 30, 2009. Plaintiff  
15 requests that the deadline for his Opening Brief be extended from July 24, 2009, but he does not  
16 provide the Court with a new proposed deadline. He advises that he will return to Seattle by  
17 July 7, 2009.

18 Taking the above into account, plaintiff's request for extension is DENIED at this time.  
19 The current deadline of July 24, 2009 is still 17 days away. If plaintiff finds that he still does  
20 not have enough time to prepare his brief, he may file a new motion for extension of time.  
21 Plaintiff is advised that any motion for request of extension must contain a proposed new  
22 deadline for his Opening Brief. In addition, all future filings must contain a certificate of

01 service, showing that he mailed a copy of his filing to defendant's counsel. **Any future filings**  
02 **that do not contain a certificate of service may be stricken.** Finally, plaintiff is reminded  
03 that any motion filed with this court must contain a noting date in the caption that complies with  
04 Local Rule CR 7(d).
